Dear Ms. Ridenhour:

I am writing to you to tell you how much my staff appreciated your presentation on saving money and cutting your grocery bill a few weeks ago. What wonderful tips you provided and inspirational stories! Our staff member that helped arrange your visit is planning on starting a "Coupon Corner" so that people can share their unused coupons with others who will find them, just like you said, the same as having cash in your wallet!

Charitable assistance has always been an important part of this office and, with these tough economic times, you have through your presentation shown us a way we can keep those care boxes going to our troops and our other special focus group, domestic violence shelters. Kudos to you and the "Simple Truth Foundation" for taking the time to share and to teach. You have assisted our staff and benefited deserving and needful members of society.

Thank you again for everything you did for us. It was perfect and greatly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Norman R. Wolfinger".
